

Missions "Q&A" Testimonies One Mission Lessons (Week 3)

Teacher: Although the lesson plan calls for an outside guest, we may not have someone for all classes. If you do not have a guest, please ask someone from in the class that has participated in a mission trip to answer the questions.

Mission Trip Participant: The answer to question one may be a short, single story, then briefly answer questions 2-5.

Q&A Mission Trip Participant

1. In what way have you seen God most at work on a mission trip or experience?
(maybe share just one story)
2. What was your greatest obstacle to participating and how was it overcome?
(money, work, children, time, fears?)
3. In what way did the trip grow your faith?
4. For you, what was the best thing about participating in the trip?

Close by encouraging others to participate in "going". Share any opportunities you are aware of.
