

Praying for the World

“I will pray for this country for one month!”

Ask God for a rapid spread of the gospel in a country of your choice.

Our goal is to have someone from Westwood praying for every country in the world, so each group is assigned a small set of choices. If you have some specific connection to a country, write that in at the bottom of this page. Return this sheet to the Info Desk or to the Small Groups Office at Church.
