Work: A Good Thing!

Even though the work on this page could easily be completed in one day, please do only each day's assignment. You are encouraged to spend other time in Bible study by reading a chapter a day using a New Testament Reading Plan found at BiblePlan.org.

Monday

How do we reconcile Colossians 3:1-4 and Colossians 3:22-24 when it comes to work.

Tuesday

Read 2 Thessalonians 3:10. How do we balance this Scripture with God's expectation for believers to help the poor?

Wednesday

Read Ephesians 5:15-16. How does this verse apply to balancing our time between work, sleep, family, relationships and recreation?

How is your life balance at the current time? What needs to change?

Read Exodus 34:21. Are you taking a day of rest? Why do you think God created us to need a day of rest? If you work Sunday, is there another day you can take?

Thursday

Read Matthew 6:28-34. What are your worries about work? Are you trusting God to provide or are you trusting your boss?

Friday

Read Ecclesiastes 9:10. How much of an effort are you giving? Are you honoring God with your work? Are you reflecting commitment, excellence, honesty and good relationships?

Saturday

Read Acts 17:17 and 1 Peter 3:15. How can we do a better job of taking Jesus to work? If we are the only Jesus some people see, are you reflecting Him positively by the way you work?

- See my work as God's will and provision for life.
- Set and honor priorities of God, family, work and rest.
