ABS Connection Event

When? This Sunday morning (August 26) following each worship service. Please don't be late!

What? Church attenders will be invited to stop by a table in the Atrium and meet a teacher or class member to sign up for an ABS Class (or attend that day if time works out right). We'll have a sign up card there for your use.

Who? Teachers or a class ambassador are asked to be present at the table at the assigned time below. A "CM" means I know that you are in class immediately before that time--please send someone to be there as the service ends.

How? We'll have four areas in the Atrium set up with signage according to the chart below. Just stand behind the table in your area and meet people who come with questions or to sign up.

Q&A

Q: What if I can't cover the assigned time?

A: If you can't send someone, please let me know if possible. If not, we should at least have the age-group represented.

Q: Do I need to prepare anything?

A: No, just be your charming self and greet people who have questions.

Q: Do we know if this will be worth the effort?

A: No. If it works, we'll do it again. If not, we won't. We'll try it and see!

Q: What if I would like to be there following every service?

A: Come on!
