My Plans...

With the semester groups system in place, we'll have to know how many new people can join this group next semester.

- I plan to remain in this group next semester.
- I am still praying, but will let my group leader know this week.
- I would like to try a different group next semester.
- I will not be able to be a part of a group next semester.

(Please let us know if there were any issues affecting your return.)
